Hews, Business Reports, Literary and Select Reading.

and instinuously printed in paper covers:

1. "Vannor's Weather Almanac for 1882" Written expressly for the United States by Professor Henry G. Vennor, the noted Weather Prophet, with forecast of the weather for 1882. The work contains not only the probabilities for the month, but the subdivisions showing the probabilities for sach week. This Almanac is full of most interesting matter prepared by Professor Vennor, and contains nearly one hundred pages, while illustrations and liminisated cover.

2. Endymbin. This is the latest production of the Earl of Beaconschil—a work with which he consuled himself when thrown out of power by the Liberals, led by Mr. Gladstone. It is the most famous novel of the day.

3. "The Life of Christ." By Frederick Parrar, D. D., F. R. S., late Fellow of Trioty College, Master of Mariborogab College, and Chaplain in Ordinary to the Queen. Canon Farrar bases his history upon an independent study of the four flagspels; side by side. In addition he has consulted carefully the writings of the insuling Jewish Babbia, and the best and richest sources of information elsewhere. His book is a succession of beautiful and eloquent thoughts, clothed in perfect language.

gazge.

A Tracles on the Horse and His Disease." By Dr. R. J. Kendall. A book of nearly one hundred pages, with numerous sugravings. It contains an index of diseases of the horse, and gives the symptomy, came, and the best treatment of each; a table, with an outraving of the horse's terth at different ages, with rules for telling the age, and much other valuable matter. It is one of the simpless and at the same time a thorough and comprehensive work. Valuable to

one of the simplest and at the same time a thorough and comprehensive work. Variable to every horse owner.

'It cannote.' This is the gem and the glory of the "Waverly Kovela"—a classic that all about read—a story above praise and beyond represent.

'Sould Bijunote and Home Outure.' A book of value to young people in the country who desire to inform themselves of the wanges of polite society, and to provide for the improvement of the opportunities that even the knuclest homes afford.

'Middlemarch.' The greatest of the hooks, all things considered, of George Elliot, who was the foremost writer of her time. The scent death of the author increases he general injerest, and its faculting gloss with repeated readings.

'Asbigueo Crusos.' We are not aware that the book was ever before offered as a free prime. It is a book for hops found of all venture, and presents as were lasting charm.

'English Man of Letters.'—Ithrus, Goldenith, Hunyan. We have here the fluest collection of first rate blographical literature were seen in the same spaces. Each life is a story richer than a roomand.

10. "Midsbittanian Hasy." Marcyat's juillest tals of the sea-the sailor boy's own book,
